The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
H-307, The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Niagara County Sheriff's Office Emergency Communications Tower Project in fiscal year 2024. The entity to receive funding for this project is the Niagara County Sheriff's Office, located at 5526 Niagara Street Extension, Lockport, NY 14094. The funding would be used for construction and installation of communication towers for the purpose of broadening the emergency communications radio network. The project is an appropriate use of taxpayer funds because it will enhance the P25 and Interop coverage for the county, enhancing emergency communications.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code sections 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
CLAUDIA TENNEY
